Honourable James A. Richardson
Minister of Supply and Services
Department of Supply and Services
MacDonald Building
10th floor
Ottawa K1A 0S5

Dear Mr. Richardson:

Further to our various discussions and negotiations about the purchase by Canada Development Corporation of Polymer Corporation Limited, which is presently owned by the Government of Canada, we are pleased to confirm that CDC is prepared to acquire all the issued shares of Polymer.

The consideration for the sale and transfer of the said shares shall be:

- a) the sum of \$62 million, to be satisfied by the issuance of common shares of CDC in a number to be determined by dividing the said sum of \$62 million by the net asset value of one share of CDC, as determined in accordance with Schedule II of the Canada Development Corporation Act, as of June 30, 1972; and
- b) an additional payment, not to exceed \$10 million, if in 1973 and 1974 average annual net profits after tax in the rubber, latex and plastics business of Polymer exceed \$7.5 million. The said additional payment shall be calculated by multiplying such excess over \$7.5 million by four and shall be satisfied, within two months of the issuance of the Polymer's audited financial statements for the year 1974, by cash or the issuance of CDC common shares, at the option of the Government. In the latter case, the number of common shares shall then be determined by dividing the amount of the additional payment by the net asset value of one share of CDC, as determined in accordance with Schedule II of the Canada Development Corporation Act as of the close of business on the last day of December 1974.

We have agreed that:

- a) Polymer's authorized capital is three million common shares without par value, of which two million are issued and fully paid and all beneficially owned by the Government, and that the other one million shares have not been subscribed for, allotted or issued and are not under option;

page 2 - Hon. James A. Richardson - July 6, 1972.

- b) no dividend or other distribution or payment to shareholders has been or will be made by Polymer from December 31, 1971 until the date of transfer of Polymer's shares to CDC;
- c) the Government will take the appropriate action, as soon as reasonably possible, to make Polymer neither an agent of Her Majesty nor a Crown Corporation within the meaning of the Financial Administration Act.

CDC undertakes that:

- a) As CDC was formed to develop and maintain strong Canadian-controlled and managed corporations, it will not sell any shares of Polymer if such sale would result in the control of Polymer passing to any person or group of persons who are not Canadian citizens ordinarily resident in Canada.
- b) The financial statements of Polymer for the years 1973 and 1974, which will be used for the determination of the further payment described above, if any, will be audited financial statements prepared in accordance with generally accepted accounting principles applied on a basis consistent with those of previous years. Depreciation charged for the purpose of determining net earnings of the rubber, plastics and latex business will not exceed by more than 5% the figures of \$17.1 million and \$18.8 million respectively shown for the years 1973 and 1974 in the brief prepared for the CDC by Polymer under date of February 1, 1972, a copy of which is in your possession.

Since our various discussions, we have been in communication with our directors who are in agreement with the foregoing and have authorized us to transmit this offer to you despite the fact that the price agreed upon with you is above that originally authorized by them. Upon hearing from you that this offer has been accepted, our directors are ready to hold a special Board Meeting before the end of July in order to give the necessary formal authorizations so that the purchase and transfer of the shares of Polymer may be completed during this current month.

We believe that this offer is a fair and reasonable one for both sides and that the transaction will prove to be advantageous to all concerned.

Yours sincerely,

Chairman

Mr. H. A. Hampson,
Chairman,
Canada Development Corporation,

Ottawa, Ontario.

Dear Mr. Hampson:

At its July 13 meeting, Cabinet approved the sale of Polymer Corporation Limited to Canada Development Corporation for the consideration and the terms and conditions agreed upon during our negotiations and subsequently set out in your letter of offer of July 6. Accordingly, I am pleased to convey formal acceptance of your offer on behalf of the Government of Canada, as the Shareholder of Polymer.

This acceptance is conveyed on the understanding that we are agreed on amending one item in the detail of your letter of offer. Estimated depreciation for the years 1973 and 1974 on Polymer rubber/latex/plastics operations is stated in that letter as being \$17.1 million and \$18.8 million, respectively, whereas it should be shown as \$13.9 million and \$14.6 million. I understand that you are aware of this change and agree to the substitution of the revised figures in your offer.

Following formal authorization by your Board of Directors, the necessary steps can be taken with the Department of Finance to give effect to the sale through the required issue and transfer of shares.

Sincerely,

James Richardson.

- (1) That Orders in Council P.C. 1969-2011 of 21st October, 1969, P.C. 1971-115 of 26th January, 1971, P.C. 1971-2283 of 2nd November, 1971 and P.C. 1972-169 of 3rd February, 1972, all made under the Canadian Wheat Board Act, authorized the Minister of Finance to guarantee the repayment of advances made by the chartered banks named therein to the Canadian Wheat Board (hereinafter referred to as "the Board") in connection with credit sales of grain made pursuant to the following agreements entered into between the Board and the China National Cereals, Oils and Foodstuffs Import and Export Corporation (hereinafter referred to as "the Corporation"):
 - (a) an agreement at Peking in September, 1969, for the sale of up to 2,300,000 long tons of wheat for shipment during 1969 and 1970;
 - (b) an agreement at Peking on October 27, 1970, for the sale of up to 2,700,000 long tons of wheat for shipment from December 1970 to December 1971;
 - (c) an agreement at Ottawa on September 13, 1971, for the sale of 500,000 long tons of wheat for shipment in October, November and December, 1971; and
 - (d) an agreement at Peking on December 18, 1971 for the sale of 3,000,000 long tons of wheat for shipment during 1972;

- 2 -

- (2) That pursuant to the said guarantee issued under the aforementioned Orders in Council \$250,000,000 is the maximum amount that could, in accordance with the terms thereof, be outstanding at any time thereunder;
- (3) That the Board has entered into a further agreement with the Corporation signed at Peking on June 2, 1972 for the sale of 1,500,000 long tons of wheat to be shipped between July 1972 and March 1973 which provides for the payment in cash of 25% of the f.o.b. value of each shipment of wheat and payment of the remainder within eighteen months from the date of such shipment, subject to the detailed provisions set forth in the said contract;
- (4) That all advances made to the Board for the purpose of financing sales of wheat made under the agreement referred to in subparagraph (a) of paragraph (1) hereof have been fully repaid both in principal and in interest;
- (5) That it is expedient to amend the said guarantee by deleting all reference to the guarantee of advances made for the purpose of financing sales of wheat made pursuant to the agreement mentioned in subparagraph (a) of paragraph (1) hereof;
- (6) That it is further expedient to extend the said guarantee in order to permit the Board to finance the wheat sales described in paragraph (3) hereof and to increase the maximum amount that may be outstanding under the said guarantee to \$275,000,000, the whole in accordance with the same terms and conditions and subject to the same limitations as are presently set out in the said guarantee.

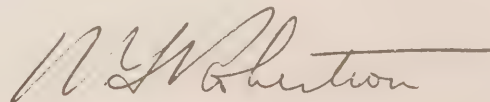

- 3 -

THEREFORE, HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL, on the recommendation of the Acting Minister of Finance, pursuant to the Canadian Wheat Board Act, is pleased hereby to authorize the Minister of Finance to amend the guarantee issued pursuant to the said Orders in Council P.C. 1969-2011, P.C. 1971-115, P.C. 1971-2283 and P.C. 1972-169 by,

- (a) deleting all reference to the guarantee of advances made for the purpose of financing sales of wheat under the agreement at Peking in September 1969 for the sale of up to 2,300,000 long tons of wheat for shipment during 1969 and 1970;
- (b) extending the said guarantee to permit the Board to finance the wheat sales made pursuant to an agreement entered into between the Corporation and the Board signed at Peking on June 2, 1972 for the sale of 1,500,000 long tons of wheat to be shipped between July 1972 and March 1973; and
- (c) increasing to \$275,000,000 the maximum amount that may in accordance with the terms of the guarantee be outstanding at any time thereunder, so that if an advance and the principal amount of all advances made to the Board for the purpose set out in the guarantee by all the banks mentioned therein that are outstanding at the time when such advance is made aggregate more than \$275,000,000, the guarantee would cover only the portion if any, of such advance that together with the said principal amount would aggregate the sum of \$275,000,000

and to authorize the Minister of Finance to give to each of the banks referred to in the said guarantee a revised guarantee in writing substantially in the form set out in the Schedule hereto.

WHEREAS the Acting Minister of Transport reports as follows

That by Provincial Order in Council No. 4092 of December 1, 1971, the Province of Quebec transferred to the Federal Crown the administration and control of certain lands containing 414.782 acres situated on the west shore of the Koksoak River near Fort Chimo, Province of Quebec required for Air Navigation purposes;

That the said transfer was subject to certain conditions, one of which was as follows:

Should the lands forming the subject of this transfer cease to be used for purposes of air navigation, the Government of Canada shall give notice thereof in writing to the Minister of Lands and Forests of the Government of Quebec who will take back then the administration and control of the said lands without any other formality or compensation for the existing constructions and improvements, on condition that they are in a satisfactory condition in the opinion of the said Minister, otherwise they shall be removed at the expense of the Government of Canada.

- 2 -

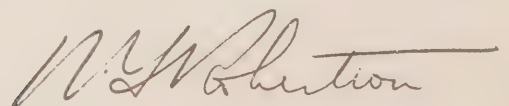

That, by Order in Council P.C. 1972-1469 of 27th June, 1972, Crown formally accepted the transfer of the said lands from the Province subject to certain conditions including the above noted;

That a request has been received from Telesat Canada which has a requirement for a small parcel of the Provincial land measuring 200 feet by 200 feet and located within Lot 9 at Fort Chimo as shown outlined in red on the attached sketch plan; and

That the appropriate officers of the Department of Transport have no objection to returning this parcel to the Province so that it can be leased to Telesat Canada for an Earth Receiving Station.

THEREFORE, HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL, on the recommendation of the Acting Minister of Transport, pursuant to the Public Lands Grants Act, is pleased hereby to transfer to Her Majesty in right of the Province of Quebec, free of charge, the administration and control in the aforementioned parcel of land measuring 200 feet by 200 feet located within Lot 9 at Fort Chimo, Quebec, as shown outlined in red on the attached plan.

That by Order in Council P.C. 1965-1135 of 18th June, 1965, Her Majesty in right of Canada transferred the administration and control to Her Majesty in right of the Province of Ontario of 196 acres being part of Lots 7 and 8, Concession 13, Township of Joly, District of Parry Sound, Province of Ontario consisting of the aerodrome at South River for the sum of \$500;

That certain easements appurtenant to the dominant tenement were not included in the transfer to the Province as it was the opinion of the Law Officers of the Department of Transport that no transfer of the easements need specifically be made to the Province as they were the owners of the dominant tenement;

That, notwithstanding this ruling, the Director, Legal Services Branch for the Province has indicated that the Province will not itself be operating the dominant tenement as an airport, but instead will be granting a licence of occupation to the Village of South River for such purposes and it is felt that certain difficulties may arise if the easements are not in the name of the Province; and

That the appropriate officers of the Department have no objection to the transfer of the said easements to the Province.

THEREFORE, HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL, on the recommendation of the Minister of Transport, pursuant to the Public Lands Grants Act, is pleased hereby to amend Order in Council P.C. 1965-1135 of 18th June, 1965 to such extent only as to transfer the administration and control of the said easements which are more particularly set out in schedules "A", "B", "C" and "D" hereto, to Her Majesty in right of the Province of Ontario.
